Author's contribution statement

Research articles featuring multiple authors should contain a declaration outlining the role of each author in the research process and the creation of the manuscript.

For example:

A.B., B.C., and C.D. were responsible for designing the study. The xyz experiments were conducted by A.B., D.E., and E.F. XYZ simulations were carried out by F.G. and G.H. I.H. and M.C. were in charge of expressing and purifying all proteins. Data analysis was performed by A.B., H.J., B.C., and C.D. A.B., B.C., and C.D. composed the manuscript with contributions from all authors.
